

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

Re: **Villard T Bogard v State of Michigan**  
Docket No. **308273**  
L.C. No. **06-014928-FC**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The original complaint for mandamus is DISMISSED for lack of jurisdiction. This Court has jurisdiction over an action for mandamus brought against a state officer. MCR 3.305(A)(1). Otherwise, actions for mandamus must generally be brought in the circuit court. MCR 3.305(A)(2). In this case, none of the defendants are state officers. Further, as to the defendants who are judges, an action for superintending control has replaced an action for mandamus when directed to a lower court. MCR 3.302(C). Accordingly, this Court lacks jurisdiction over the original complaint for mandamus.
